Recommendations

PETER ZHANG – University of Texas at Arlington Libraries
Department Head, Access & Discovery

"Ateanna provides excellent customer service. She troubleshoots access issues for users and colleagues. I have received many positive comments of her collegiality and outstanding customer service."

PEACE OSSOM-WILLIAMSON – University of Texas at Arlington
Director of Research Data Services

"Ateanna began cross-training with the Research Data Services (RDS) Department and assisting in some of the preparations for the data repository. She lead the development of guidelines for DMPTool and completed the task with input from the Director of RDS. She made effective use of her time to determine resources and advice that aligned with university policies and best practices for data management. Ateanna was a participative team member and contributed time to assist with setup for various events within the Data Analysis and Visualization (DAVis) series."
